

Job Title: Farmers Market Manager
Reports to: Neskowin Farmers Market Board
Status: part time (see job description)

Open until filled.

Announcement

Overview of the position:

The Market Manager helps develop the farmers market with the NFM Board of Directors. The Market Manager independently plans, operates, and delegates activities to volunteers to fulfill the functions of the weekly farmers market. Must be able to work Saturdays during market season, May through September. The Manager reports to the Neskowin Farmers Market Board via a board liaison. This is a contract position.

About Neskowin Farmers Market:

The Neskowin Farmers Market creates a vibrant gathering place where our coastal community members, food producers and craftspeople meet to support each other.

The market is on Saturdays, May through September at the Neskowin Beach State Park wayside. We have a variety of vendors while maintaining at least 75% food vendors.

Desired qualifications:

The Neskowin Farmers Market Manager is the primary face and leader for the Neskowin Farmers Market. We are looking for someone who is:

- A good communicator
- Friendly
- A problem solver
- Able to work independently
- Able to set and follow deadlines
- Experienced with community/volunteer management (farmers market experience preferred)

Candidates should be passionate about eating good, local food, and have enthusiasm for the mission of the Neskowin Farmers Market.

Sound like you? Please email a cover letter, resume, and 3 references to neskowinfarmersmarket@gmail.com.
